Using Your Insurance

If you need to seek medical treatment, please follow these basic guidelines:

1. Seek care appropriately for the condition/situation that you are experiencing.
2. Choose an in-network medical provider to make billing easier.
3. Follow up with any claims, these are your responsibility!

Further information about seeking care is below:

NON-EMERGENCY CARE

If you do not have a medical emergency, you **SHOULD** go to a walk-in clinic or local doctor who can assist you with your medical needs. You **SHOULD NOT** go to the Emergency Room (ER).

You can call the assistance team prior to receiving any treatment and they will assist in locating a medical provider, or you can visit the online provider search tool in your student zone. Examples of non-emergency care include cold, flu, minor injuries and sickness.

EMERGENCY CARE

The Emergency Room (ER) is designed for medical emergencies. If you need emergency care for any reason, please get to the nearest Emergency Room (ER) or call the emergency services (911 in the USA) for immediate treatment.

As with anything, we ask you to use your judgment with a situation. If you feel you need immediate emergency attention, please do not delay and go straight to the Emergency Room. However if you are unsure, or your condition is not severe, then either call the emergency services for assistance or visit a local doctor, urgent care center or walk-in clinic in your area.

Please Note – an additional \$250 Deductible will apply for each Emergency Room visit for an illness which does not result in a direct Hospital admission. Injuries are not subject to the deductible

ID CARD

It is extremely important that you carry your insurance ID card with you at all times as this will identify to the provider treating you who your insurance is with. Your ID card will be given to you before you travel and should be kept with you at all times.

PROVIDERS

You can [search for providers online](#) in your student zone, or you may seek treatment from any provider you wish to visit. In-network providers will be able to submit your claims directly to the claims team for processing, however when you seek care outside of the network, you will need to pay for these services upfront and submit for reimbursement.

Seven Corners Assist must be contacted prior to: (1) hospital admissions worldwide; (2) inpatient or outpatient surgeries worldwide; (3) emergency evacuation/ repatriation; (4) emergency medical reunion; (5) trip interruption; and (6) return of mortal remains. For Emergency admissions and situations, Seven Corners Assist must be contacted within 48 hours, or as soon as reasonably possible.

CLAIMS

When you seek care from within the plans network and provide your ID card at the time of treatment, your claims will be sent to the claims team directly for processing.

For claims outside of the network or any prescription medications, you will need to pay the provider, and then submit your itemized bills and receipts to the claims team for processing.

We recommend submitting a claim form for each new injury/ illness to speed up processing.

You can download a copy of the claim form from the student zone and submit it with your receipts to:
